

MAGISTRATE®

PROTHIOCONAZOLE	GROUP	3	FUNGICIDE
AZOXYSTROBIN, TRIFLOXYSTROBIN	GROUP	11	FUNGICIDE

MAGISTRATE® consists of three active ingredients that deliver curative and preventative control of fungal pathogens. Two modes of action deliver strong resistance management.

Three active ingredients that have never been combined in any product before.

Two modes of systemic action, designed to provide maximum protection for the plant.

Giving you one unique product with MAGISTRATE.

PRODUCT FEATURES

- Two strobilurins with distinct activity inside the plant
- Offers systemic and translaminar movement while also providing long-lasting disease control
