ALWAYS YOUR FIRST SHOT with MAKAZE YIELD PRO

MAKAZE YIELD PRO® is a standout performer when looking to maximize the yield of Roundup Ready® Crops. MAKAZE YIELD PRO provides all the knockdown benefits of MAKAZE - the most effective 4 pound premium glyphosate on the market today - with the addition of plant health stimulants (IBA & kinetin), which provides the crop with the ability to increase root mass, plant vigor, and yield potential.

Product Benefits:

- LeciITech® Technology, getting TO, ON & IN the plant
 - A quicker more complete kill
- Addition of plant health stimulants (IBA & kinetin)
 - Increases root mass, plant vigor and yield potential
- Fastest uptake
 - Excellent rainfastness
- Excellent crop safety on all Roundup Ready® crops
 - Provides reliable performance
